

The Asia Climate Change Policy Forum

**The Australian National University
Wednesday October 27, 2010**

The Asia Climate Change Policy Forum is a unique opportunity to hear from Asia's leading climate change policy advisers and thinkers. Researchers, analysts and policy makers from across Asia will be joined by prominent Australian and other international participants in the climate change debate to discuss domestic policy initiatives and international issues.

The ACCP Forum is an initiative of the South Asia Bureau for Economic Research (SABER) and the East Asia Bureau of Economic Research (EABER), ANU. The Forum is being convened by Professor Peter Drysdale and Professor Stephen Howes of the Crawford School of Economics and Government and will be held at the Molonglo Theatre at the Crawford Building.

Confirmed speakers include:

- Ross Garnaut, Distinguished Professor of Economics, ANU & The University of Melbourne
- Seiji Ikkatai, Professor, Environmental Policy, Kyoto Institute of Economic Research, Kyoto University
- Erwin Jackson, Climate Institute, Australia
- Tae Yong Jung Deputy Executive Director, Global Green Growth Institute (GGGI), Republic of Korea
- Andreas Loeschel, Head of Department, Environmental Economics, Center for European Economic Research (ZEW)
- Ritu Mathur, Associate Director, Energy Environment Policy Division, The Energy & Resources Institute, New Delhi
- Eka Melisa, Vice Chair, Working Group on International Negotiation, National Council on Climate Change, Government of Indonesia
- Mutsuyoshi Nishimura, Special Adviser to the Cabinet, Government of Japan
- Pan Jiahua, Director, Research Center for Sustainable Development, Chinese Academy of Social Sciences
- Martin Parkinson, Secretary, Department of Climate Change & Energy Efficiency, Government of Australia
- Ambuj Sagar, Professor, Department of Humanities & Social Sciences, Indian Institute of Technology, New Delhi
- Arief Yusuf, Director, Center for Economics & Development Studies, Padjadjaran University, Indonesia
